EDUCATION

- **Greenfield Montessori School - Tanay Main Campus**

GMS TANAY MAIN CAMPUS
2022 - 2023

SCIENCE TECHNOLOY ENGINEERING & MATHEMATICS
East Rodriguez Avenue, katipunan Tanay, Rizal

- **Institute of Creative Computer Technology (ICCT)**

ICCT COLLEGES
2023 - Present

Computer Engineering
ICCT Building, V.V. Soliven Avenue II, Brgy. San Isidro,
Cainta, Rizal, Philippines.

PROJECTS

ICCT COLLEGES
March 2026 - July 2026

EmbeddedSystems: Medicare

SYSTEM ENGINEER

- EMBEDDED SYSTEM ENGINEER
- Designed and developed embedded systems using microcontrollers and hardware components.
- Integrated sensors, actuators, and communication modules for automated system operations.
- Programmed and tested embedded systems to ensure functionality, accuracy, and reliability.
- Performed hardware troubleshooting, circuit testing, and system optimization.
- Collaborated with team members in developing and implementing technical projects.

Object Oriented Programming: NutriTrack

ICCT COLLEGES
Aug 2025- Nov 2025

System Analyst

- Technical Documentation Lead Prepared project documentation and system reports.
- Documented system features, class structures, and program specifications.
- Defined functional requirements and project objectives. Collaborated with team members to ensure accurate documentation.

BASIC SKILLS

- Basic Programming
- JavaScript
- UI/UX Design
- Embedded Systems
- Microsoft Word & Excel
- Basic Autocad 2D, 3D, & Electrical Plan
- Have Knowledge in Trouble shooting Mechanical Machine

CERTIFICATION

Certificate of Participation In DICT (Department of Information & Communication Technology)

- **Participate in the "Safer Internet Day" Cybersecurity held on February 10,2026**
- CERTIFICATE ID DICTR4A-2026-0210-009
